From the East

Greeting brethren,

We are winding down for the summer and I want to bring everyone up-to-speed on some things in the works. First the roof will be done before the rains and is in the final design phase. The architect has drawn up a roof design that pitches the roof on a front to back slope. One of the critical areas of the design was to incorporate the HVAC units. Our commercial building has been getting some interest but nothing concrete yet.

On our next stated, I plan on having a close-out dinner at **6:30p.m.** It will be my famous fried or baked chicken imported from Marysville. You all noticed I made the time rather large, it's because I'd like to see more than six guys there. George, Brett and I will put the thing together on the afternoon of so I hope to see you all there. On the June stated we will have one of the Sedro Woolley officials give us a brief presentation about the future plans of the city.

Lastly, I'm giving early notice that our annual picnic will be July 19th at Lee's Big Lake property and I invite everyone to come out. I'll be inviting Eastern Star, Rainbow and the new DeMolay Chapter to come as well.

Greetings from the West!

Greeting Good Brothers of Burlington-United:

A few months ago I wrote to you about our fair City of Sedro-Woolley and it being on the cusp of a major growth spurt. For that growth to happen the City will be completing a series of public works projects aimed at building infrastructure to ease the transition and congestion from a small town to a modern urban growth area. During our June stated meeting Sedro-Woolley Mayor, Mike Anderson, has

accepted our invitation to speak and will give us a short talk imparting a little insight on the projects that are ready to roll. He will also be joining us for dinner that night. So, please bring your attentive ear and hearty appetite and join us to welcome this very special guest.

See you all in Lodge June 4th, at 6:30PM!

Since we will be dark in July and August I thought I would talk about a few of the Masonic events that will happen in this area.

We will have our annual picnic on July 19 at Lee Schuirman's place at Big Lake. If you don't know where it's at you can call Lee at 856-1105 for directions.

The other lodges in our district have meetings in the summer, so it's a good time to visit them. Garfield usually has a Salmon BBQ in Aug. Mount Baker meets on the first Tuesday, Fidalgo on the 2nd Tuesday, Langley on the 3rd Monday, Whidbey Island on the 3rd Tuesday, Garfield on the 3rd Thursday and the Lodge Officers Association (which is open to everyone) on the 4th Thursday. You can call me at 856-5945 for further information (as soon as I receive it).
